Dear Ralph:

Our thanks to you and to the New York State Federation of Police for your generous donation of \$500.00 from your PAC Fund to the National Law Enforcement Officers Memorial Fund (NLEOMF).

With your support of the Memorial Fund you honor the 18,983 federal, state, and local law enforcement officers who have died in the line of duty and help to recognize the service and sacrifice of all officers.

Since 1988, the NLEOMF has been engaged in a continuous research effort to document and honor all American law enforcement officers who have been killed in the line of duty. Our efforts are culminated annually at the kickoff event for National Police Week, NLEOMF's Candlelight Vigil. More than 20,000 surviving family members, police officers, and police supporters attend the Annual Vigil as new names of the fallen are formally added to the Memorial walls. Last May we added 324 names to the Memorial. These include 116 law enforcement officers who died in the line of duty in 2009 and 208 law enforcement officers who died in the line of duty in previous years.

In 2000, Congress authorized the NLEOMF to build the National Law Enforcement Museum. It will be the most comprehensive law enforcement Museum and research facility found anywhere in the world.

Thank you again for your support of all our programs honoring law enforcement heroes.

Sincerely,

CRAIG W. FLOYD
Chairman and CEO
