Dear Mr. Gordon:

Concerns of Police Survivors, the United States Secret Service-Employee Recreation Association and many dedicated walkers are preparing for the 7th Annual COPS WALK on October 8-9, 2011. The walk is held along the C&O Canal near Harper's Ferry, WV. With the generous support of organizations such as yours, last year's walk raised more than \$278,000! The proceeds from last year's COPS WALK were earmarked for C.O.P.S. Hands-On Programs where hundreds of law enforcement survivors found healing, love, and life renewed. All these retreats, of course, are at no charge to the survivors.

Our goal for COPS WALK 2011 is \$300,000 to help fund our Hands-On Programs. Enclosed is the 2011 sponsorship form. We are asking you to review it and give serious consideration to support this very important event. The sponsorship levels and benefits that your organization will receive are also listed on the form.

Thank you very much for considering a sponsorship to COPS WALK. You may call the Development Office at National C.O.P.S. for further information on how you can help law enforcement's survivors.
